Employees from Cameco's Port Hope Conversion Facility Donate $46,000 to Northumberland Fare Share Food Bank

November 24, 2026

Cameco (TSX: CCO; NYSE: CCJ) employees from our Port Hope Conversion Facility (PHCF) are proud to donate $46,000 to support Northumberland Fare Share Food Bank.

The donation, raised by employee-led auctions and other fundraising initiatives in 2025 and 2026, will help to purchase nutritious food for local individuals and families in need.

"Cameco employees care deeply about the community where they live and work," said Dave Ingalls, general manager of PHCF. "Rising food costs are putting additional pressure on families, and food banks are experiencing increased demand. We are proud to support Fare Share Food Bank's work to address food insecurity in our community."

In 2025, Northumberland Fare Share Food Bank supported more than 4,000 individuals and distributed over 928,000 pounds of food.

Profile

Cameco is one of the largest global providers of the uranium fuel needed to power a secure energy future. Our competitive position is based on our controlling ownership of the world's largest high-grade reserves and low-cost operations, as well as significant investments across the nuclear fuel cycle, including ownership interests in Westinghouse Electric Company and Global Laser Enrichment. Utilities around the world rely on Cameco to provide global nuclear fuel solutions for the generation of safe, reliable, carbon-free nuclear power. Our shares trade on the Toronto and New York stock exchanges. Our head office is in Saskatoon, Saskatchewan, Canada.

As used in this news release, the terms we, us, our, the Company and Cameco mean Cameco Corporation and its subsidiaries unless otherwise indicated.
